INTRODUCTION

I have the honour to submit to the Oireachtas, in accordance with the provisions of Section 103 of the Patents Act, 1992, a Report for the year ended 31 December 2004.

My statutory functions are set out in the Patents Act, 1992, the Trade Marks Act, 1996; The Industrial Designs Act, 2001, the Statutory Rules and Regulations made under these Acts; and the European Communities (Supplementary Protection Certificate) Regulations. Decisions under these Acts, Rules and Regulations rest with me in my statutory capacity, subject to certain rights of appeal to the High Court.

I also have extensive statutory functions under the Copyright and Related Rights Act, 2000 (this replaced the Copyright Act, 1963) which came into operation on 1 January 2001. This Act considerably extended my statutory functions in the copyright domain. In addition to the dispute resolution functions of the 1963 Act, I now have to deal with references to me of licensing schemes and proposed licensing schemes in relation to various areas which are subject to copyright and other rights; with references relating to the terms of licences; with applications for licences where operators of schemes have refused to grant licences; with certain cases where licences are expiring; and with registration of licensing bodies.

In addition, I make available information about Industrial and Intellectual Property.

The Intellectual Property Unit of the Department of Enterprise, Trade and Employment has responsibility for intellectual property policy and preparation of legislation in this field. The Office furnishes advice in these matters to the Department, including comments on the impact on the work of the Office of proposed changes.

Throughout the remainder of this Report, unless the context otherwise requires, a reference to the 1963 Act means a reference to the Trade Marks Act, 1963; a reference to the 1964 Act means a reference to the Patents Act, 1964; a reference to the 1992 Act means a reference to the Patents Act, 1992; a reference to the 1996 Act means a reference to the Trade Marks Act, 1996; and a reference to the 2001 Act means a reference to the Industrial Designs Act, 2001.

RÉAMHRÁ

Is onóir dom, de réir fhórálacha Alt 103 d'Acht na bPaitinní, 1992, Tuarascáil a chur faoi bhráid an Oireachtais don bliain dár críoch 31 Nollaig 2004.

Tá na feidhmeanna reachtúla agamsa leagtha amach in Acht na bPaitinní, 1992; in Acht na dTrádmharcanna, 1996; san Acht um Dheartháí Tionscail, 2001; sna Rialacha agus sna Rialacháin Reachtúla a rinneadh faoi na hAchtanna sin; agus i Rialacháin na gComphphobal Eorpach (Deimhniú Cosanta Forlíontach). Fúmsa atá sé, i mo cháil reachtúil, cinntí faoi na hAchtanna, na Rialacha agus na Rialacháin sin a dhéanamh, faoi réir cearta áirithe achomhairc chun na hArd-Chúirte.

Tá feidhmeanna leathana agam freisin faoin Acht Cóipchirt agus Ceart Gaolmhar, 2000 (chuaign sé sin in áit an Achta Cóipchirt, 1963) a tháinig i ngníomh an 1 Eanáir 2001. Chuir an tAcht sin go mór le mo chuid feidhmeanna reachtúla i gcúrsaí cóipchirt. I dteannta feidhmeanna réitithe díospóide in Acht 1963, ní mór dom anois plé le scéimeanna ceadúnúcháin agus scéimeanna ceadúnúcháin beartaithe a tharchuirtear faoi mo bhráid i ndáil le réimsí éagsúla atá faoi réir cóipchirt agus ceart eile; le nithe a bhaineann le téarmaí ceadúnais a tharchuirtear faoi mo bhráid; le hiarratais ar cheadúnais i gcás go bhfuil oibritheoirí scéimeanna tar éis diúltú ceadúnais a thabhairt; le cásanna áirithe ina bhfuil ceadúnais ag dul in éag; agus le clárú comhlacthaí ceadúnúcháin.

Ina theannta sin, cuirim faisnéis ar fáil i ndáil le Maoin Tionscail agus Intleachtúil.

Tá an fhreagracht ar an Aonad Maoine Intleachtúla sa Roinn Fiontar, Trádála agus Fostaíochta as an bpolasáí i leith maoine intleachtúla agus as reachtaíocht a ullmhú sa réimse sin. Cuireann an Oifig comhairle ar fáil sna cúrsáí sin don Roinn, ar a n-áirítear tuairimí ar an tionchar a bheadh ar obair na hOifige ag athruithe beartaithe.

Le linn an chuid eile den Tuarascáil seo, mura n-éilíonn an comhthéacs a mhalaírt, ciallaíonn tagairt d'Acht 1963 tagairt d'Acht na dTrádmharcanna, 1963; tagairt d'Acht 1964 tagairt d'Acht na bPaitinní, 1964; tagairt d'Acht 1992 tagairt d'Acht na bPaitinní, 1992, tagairt d'Acht 1996 tagairt d'Acht na dTrádmharcanna, 1996; agus tagairt d'Acht 2001 tagairt don Acht um Dheartháí Tionscail, 2001.

GENERAL

Intellectual property rights are a key element in promoting competitiveness and economic growth. During the course of 2004 my Office sought to provide business, industry and individual entrepreneurs with an effective system of protection for their intellectual property rights.

Mission & Objectives

The central mission of the Patents Office continues to be:

"To provide an efficient and effective system of industrial property protection that will encourage technological progress and promote enterprise through the implementation by the Office of the relevant legislation".

The Office's Strategy Statement for the period 2004 to 2007 sets out the following four objectives, the achievement of which is seen as central to fulfilling the mission of the Office. They also tie in with the wider national objectives of supporting and encouraging enterprise and innovation and the fostering of an effective business environment in Ireland.

Objective (1)

Continue to grant patents and register trade marks and designs based on efficient administrative procedures and standards of service which reflects best international practice and meets the needs of customers.

Objective (2)

Seek to incorporate new technology in order to improve systems and procedures and service to customers and which will also have regard to the demands of the information society and e-business.

Objective (3)

Implement any new IP legislation which creates functions for the Controller.

Objective (4)

Recognise staff as a key asset of the office and utilise business planning and individual performance management and development in order to improve business performance and processes and enhance organisational effectiveness.

The information in this Report reflects the extent to which achieving these objectives continued to be to the fore in the work of the Office during 2004. I would like to formally acknowledge the commitment of the staff of the Patents Office to meeting these objectives, the customer service targets and the key tasks set out in the Office's Business Plan.

GINEARÁLTA

Bunghné de chur chun cinn an iomaiochais agus an fháis eacnamaíoch is ea cearta maoine intleachtúla. Le linn 2004, thriail an Oifig agamsa córas éifeachtach a sholáthar do lucht gnó, lucht tionscail agus d'fhiiontraithe aonair chun a gcearta maoine intleachtúla a chosaint.

Bunchuspóir agus Cuspóirí Eile

Is é bunchuspóir lárnach Oifig na bPaitinní i gcónai ná:

"Córas éifeachtach agus éifeachtúil cosanta maidir le maointionscail a sholáthar lena spreagfar dul chun cinn tecneolaíoch agus lena gcuirfear an fhiiontraiocht chun cinn trí chur chun feidhme na reachtaíochta cui ag an Oifig."

I Ráiteas Straitéise na hOifige don tréimhse 2004 go 2007, leagtar amach na ceithre chuspóir seo a leanas, agus tá baint amach na gcuispóiri sin ríthábhachtach maidir le bunchuspóir na hOifige a chur i gcrích. Ina theannta sin, nascann siad leis na cuspóiri náisiúnta is leithne ná sin maidir le tacaíocht agus spreagadh a thabhairt don fhiiontraiocht agus don nuáil, agus timpeallacht éifeachtach gnó a chothú in Éirinn.

Cuspóir (1)

Leanúint ar aghaidh ag bronnadh paitinní agus ag clárú trádmharcanna agus deartháí, bunaithe ar nósanna imeachta agus caighdeáin seirbhise éifeachtacha ar léiriú iad ar an gcleachtas idirnáisiúnta is fearr agus a fhreastalaíonn ar riachtanais ár gcuistaiméirí.

Cuspóir (2)

Díriú ar an nua-theicneolaíocht a bhunú chun feabhas a chur le córais agus nósanna imeachta agus le seirbhís do chustaiméirí, agus aird a thabhairt ar éillimh na sochaí faisnéise agus an ríomhghnó.

Cuspóir (3)

Aon reachtaíocht nua Maoine Intleachtúla lena gcrutháitear feidhmeanna nua don Cheannasaí a chur chun feidhme.

Cuspóir (4)

An fhoireann a aithint mar acmhainn ríthábhachtach de chuid na hOifige agus leas a bhaint as pleánail gnó agus as bainistiú agus forbairt feidhmíochta aonair d'fhiorn feabhas a chur ar an bhfeidhmíochta ghnó agus ar phróisis ghnó agus cur le héifeachtúlacht na heagraíochta.

Is léiriú í an fhaisnéis sa Tuarascáil seo ar an méid a raibh baint amach na gcuispóiri sin chun tosaigh i gcónai in obair na hOifige le linn 2004. Ba mhaith liom aitheantas foirméálta a thabhairt do thiomantas fhoireann Oifig na bPaitinní maidir leis na cuspóiri sin, na spriocanna seirbhise do chustaiméirí agus na tascanna ríthábhachtacha atá leagtha amach i bPlean Gnó na hOifige a bhaint amach.

Receipts and Expenses

The receipts and expenses for the year amounted to €8.71 million and €3.65 million respectively. Further particulars are given in Appendix B.

Office – Staff and Structure

The number of staff serving as at 31 December 2004 was 74. A breakdown of the staff serving at the end of the year is given in Appendix A. As a result of the extension of the teleworking scheme in 2004 the number of staff availing of this scheme increased to five. This scheme permits staff to carry out their duties from home for part of the week and to be present in the office on the other days.

No special staff have been assigned to me in respect of the discharge of copyright functions.

IP Information – Website

The Office continued to expand its collection of patent information in electronic format with searchable Irish, European US and Japanese patent documents available on CD ROM and DVD for searching by the public in both the Dublin and Kilkenny Information centres.

In recent years the Office has pursued a policy of improving access to Intellectual property information via its website. It is now possible to peruse the Irish patent, trade mark and design registers on-line and free of charge. In addition, a computerised search facility facilitates the inspection of details of Irish published patent applications and granted patents and pending and registered trade marks. The Office's website also permits free access to the esp@cenet database and search engine which hosts the largest volume of patent documentation available on the Internet. On-line access to the Office's Official Journal is also provided free of charge, is searchable and allows for flexible viewing of trade marks in colour.

The website was further advanced by the addition in December 2004 of the online renewal system which facilitates the payment of patent, trade mark and design renewal fees by credit and debit cards.

Web traffic analysis shows that the general public as well as Intellectual Property professionals make extensive use of the search facilities and information available on our website. The online search systems are particularly popular. There were on average in excess of 400,000 hits to the web site per month. 74% of the visitors to the web site were international visitors.

It is planned to undertake a major re-design of the website during 2005.

Fáltais agus Costais

Ba iad na fáltais agus na costais don bhliain ná €8.71 milliún €3.65 milliún faoi seach. Tugtar sonrai breise i bhFoscríbhinn B.

An Oifig – Foireann agus Struchtúr

Ba é an lín foirne a bhí ag fónamh amhail ar 31 Nollaig 2004 ná 74. Tugtar cur síos ar an bhfoireann a bhí ag fónamh i ndeireadh na bliana i bhFoscríbhinn A. Mar thoradh ar leathnú na scéime teiloibre sa bhliain 2004, mhéadaigh ar an lín foirne a bhí ag baint leas as an scéim sin go dtí cúigear. Leis an scéim sin, ceadaítear do chomhaltaí foirne a gcuid dualgas a chomhlionadh sa bhaile i rith chuid den tseachtain agus a bheith i láthair san oifig laethanta eile.

Níor sannadh aon foireann speisialta chugam i ndáil le feidhmeanna cóipchirt a chomhall.

Faisnéis faoi Mhaoin Intleachtúil (MI) – Suíomh Idirlín

Lean an Oifig uirthi ag cur lena bailiúchán d'faisnéis faoi phaitinní i leagan amach leictreonach agus tá doiciméid paitinne de chuid na hÉireann, na hEorpa, na Stát Aontaithe agus na Seapáine ar fáil ar CD ROM agus ar DVD chun gur féidir leis an bpobal iad a chuardach sna hionaid faisnéise i mBaile Átha Cliath agus i gCill Chainnigh.

Le blianta beaga anuas, tá polasaí á leanúint ag an Oifig chun feabhas a chur ar an rochtain ar fhaisnéis maoine intleachtúla tríd an suíomh idirlín. Anois, is féidir cláracha paitinní, trádmharcanna agus deartháí na hÉireann a iniúchadh ar-líne saor in aisce. Ina theannta sin, le háis cuardaigh ríomhairithe, éascaítear an t-iniúchadh ar na mionsonraí sna hiarratais paitinne fhoilsithe, sna paitinní atá deonaithe nó ar feitheamh agus sna trádmharcanna foilsithe in Éirinn. Le suíomh idirlín na hOifige, ceadaítear rochtain saor in aisce ar bhunachar agus inneall cuardaigh esp@cenet ar a bhfuil an lín is mó de dhoiciméid paitinne atá ar fáil ar an Idirlón. Cuirtear rochtain ar-líne ar Iris Oifigiúil na hOifige ar fáil saor in aisce freisin. Tá an Iris inchuardaithe agus is féidir radharc solúbtha daite a fháil ar thrádmharcanna ansin.

Cuireadh an suíomh idirlín ar aghaidh tuilleadh, Nollaig 2004, nuair a tugadh isteach córas athnuachana ar-líne lena n-éascaítear táillí athnuachana paitinne, trádmhairc agus deartha a ioc le cártáí creidmheasa agus cártáí dochair.

Léiríonn an trácht líonra go mbaineann an pobal i gcoitinne, chomh maith le gairmiúlaigh Maoine Intleachtúla, leas as na haiseanna cuardaigh agus as an bhfaisnéis atá ar fáil ar an suíomh idirlín againn. Bíonn tóir ar leith ar na córais chuardaigh ar-líne. Tharla os cionn 400,000 aimsiú, ar an méan, ar an suíomh idirlín gach mí. Ba chuaирteoirí idirnáisiúnta iad 74% de na cuairteoirí ar an suíomh idirlín.

Tá sé beartaithe tabhairt faoi athdhearadh mór ar an suíomh idirlín le liinn 2005.

In last year's report I referred to my Office's involvement, together with Enterprise Ireland and partners from Luxembourg, Spain, Greece and Italy, in an EU financed project entitled Linking Innovation and Industrial Property (LIIP). One of the major objectives of the project is to increase awareness and knowledge of intellectual property rights (IPR's) through the creation of information material targeted at small and medium sized enterprises, research centres, universities and individual inventors. In November 2003 a Good Practice Guide which contains among other items, 10 pragmatic recommendations for better integration of Intellectual Property in business was published and was extremely well received. Some 2000 paper copies of the Guide were distributed and over 7,000 downloaded via the Office's website. In December 2004 the project consortium published a CD-Rom toolbox incorporating the guide together with additional information and case studies as well as an IP audit tool. Some 2000 copies of the CD Rom have been distributed to various bodies and individuals including Institutes of Technology, Innovation Centres, County Enterprise Boards and Chambers of Commerce.

Exhibitions/Seminars

Patents Office staff continued to promote awareness of industrial property protection and information during 2004 through attendance at a number of exhibitions and seminars. The Office is an annual exhibitor at the "ESAT BT Young Scientist & Technology Exhibition" in the RDS and in January 2004 again sponsored a prize in that competition. The Patents Office special award was won by students from the Christian Brothers (Abbey) Grammar School, Newry, Co Down. It is noteworthy that students from this school have won this award on several occasions.

The Office in conjunction with the European Patent Office also participated at the "European Young Scientist Exhibition" which was held in Ireland for the first time in 2004.

Amongst the other events at which the Office participated were the "My Business Entrepreneur Exhibition" organised by Galway Chamber of Commerce & Galway Enterprise Boards and the office participated at the "Innovation Day" organised by Enterprise Ireland for post-primary students. In addition staff attended two major agri-business events; the "National Ploughing Championships" and the "Tullamore Show". A representative from the Office also attended the annual meeting and conference of the International Trade Mark Association in Atlanta, U.S.A.

Throughout the year staff from the Office provided advice to the public in response to queries on the various aspects of intellectual property and held seminars as requested for third level institutions.

I dtuarascáil na bliana atá caithe, rinne mé tagairt do rannpháirtíocht m'Ofigse, maille le Fiontraíocht Éireann agus compháirtithe as Lusamburg, an Spáinn, an Ghréig agus an Iodáil, i dtionscadal arna mhaoiniú ag AE ar a dtugtar An Nuáil agus an Mhaoin Intleachtúil a Nascadh. Ar cheann de na príomhchuspóirí atá leis an tionscadal, tá cur leis an tuiscint agus leis an eolas ar chearta maoine intleachtúla (CMI) trí ábhair fainse a chruthú dírithe ar fhiontair bheaga agus mheánmhíde, ar ionaid taighde, ar ollscoileanna agus ar aireagóirí aonair. Samhain 2003, foilsíodh Good Practice Guide ina bhfuil, i measc nithe eile, 10 moladh phragmatacha le haghaidh chomhiomlánú níos fhearr ar an Maoin Intleachtúil i gcúrsaí gnó. Fearadh fáilte mhór roimh an bhfoileachán nua. Dáileadh suas le 2,000 cóip pháipéir den Treoir agus rinneadh os cionn 7,000 a íoslódáil trí shuíomh idirlín na hOifige. Nollaig 2004, d'fhoilsigh comheagras an tionscadail bosca urlísí CD-Rom ina bhfuil an Treoir agus fainse a bhreise agus cás-staidéir, chomh maith le huirlis iniúchóireachta MI. Tá timpeall ar 2000 cóip den CD-Rom dálte ar chomhlacthaí agus daoine éagsúla, ar a n-áirítear Institiúidí Teicneolaíochta, Ionaid Nuála, Boird Fiontar Contae agus Seomraí Tráchtála.

Taispéántais/Seimineáir

Lean foireann Oifig na bPaitinní ar aghaidh le linn 2004 ag cur leis an eolas atá i measc an phobail ar chosaint maoine intleachtúla agus ar an bhfainse atá ar fáil trí fhreastal ar thaispeántais agus sheimineáir éagsúla. Is taispeántasóir bliantúil í an Oifig ag Taispeántas Eolaí Óg agus Teicneolaíochta ESAT BT san RDS agus, Eanáir 2004, rinneamar urraíocht arís ar dhuais sa chomórtas sin. Mic léinn as Scoil Gramadáí na mBráithre Criostai (An Mhainistir), lúr Cinn Trá, Co. an Dúin, a bhuaigh Gradam Speisialta Oifig na bPaitinní. Tá sé suntasach go bhfuil an gradam sin buaite ag mic léinn ón scoil sin roinnt uaireanta.

Ghlac an Oifig páirt freisin, i gcomhar le hOifig Paitinní na hEorpa, i dTaispeántas Eolaí Óg na hEorpa, a reachtáladh in Éirinn den chéad uair sa bhliain 2004.

Ar na himeachtaí eile ar ghlac an Oifig páirt iontu, bhí Taispeántas Fiontraí – Mo Ghnó Féin, a d'eagraigh Seomra Tráchtála na Gaillimhe agus Boird Fiontar na Gaillimhe, agus ghlac an Oifig páirt sa Lá Nuála a d'eagraigh Fiontraíocht Éireann do mhic léinn iarbunscoile. Ina theannta sin, bhí comhaltaí foirne i láthair ar dhá ócáid mhóra talmhghnó – Na Comórtas Céachtaíola Náisiúnta agus Seó na Tulaí Móire. Bhí ionadaí de chuid na hOifige i láthair ag cruinniú bliantúil agus comhdháil bliantúil an Chumainn Trádmharcanna Idirnáisiúnta in Atlanta sna Stáit Aontaithe.

I rith na bliana, thug foireann de chuid na hOifige comhairle don phobal mar fhreagra ar fhiosrúcháin faoi ghnéithe áirithe a bhaineann le maoin intleachtúil agus reachtáil seimineáir le haghaidh foras tríú leibhéal de réir mar a iarradh orainn sin a dhéanamh.

Service Standards

The Office's customer service standards are contained in its Customer Services Action Plan for the period 2002 to 2005. The plan was published in 2002 and is available on the Office's web site. The plan is aimed at securing high standards of performance which the Office sees as essential to providing a quality service.

The standards, which have been set out in the plan take account of the generally accepted principles of quality customer service in the public service and set out the quality of service, which our customers can expect. The level of performance against specific customer service targets achieved during 2004 (details of which are shown at Appendix J) were generally satisfactory; in many cases the performance was 100%.

The Office will, through the relevant bodies and the User's Council, continue to consult users/customers about the discharge of the Office's functions vis-à-vis their expectations. In addition a customer feedback page has been introduced on our website to allow our customers to give comments and suggestions on the website, its contents and the service they have received.

Training and Development

During 2004 staff development continued with the aim of ensuring that all staff obtained training in the skills and competencies required to undertake their job to the highest standard. In accordance with the Performance Management Development System (PMDS) operated in the Office, a development plan for training was drafted which took into account the various training needs which staff had identified in their personal development plans.

In 2004, staff in my Office undertook a total of 116 training days. Training courses were organised and delivered in areas such as, IT, effective writing, management development, customer service, presentation skills, public procurement and clear and critical thinking. Staff also attended courses on EPOQUE training at the European Patent Office.

My staff liaised closely with the Training and Development Unit of the Department of Enterprise, Trade and Employment in organising training that could not be delivered in Kilkenny.

Caighdeán Seirbhísí

Tá caighdeán na hOifige maidir le seirbhís do chustaiméirí le fáil sa Phlean Gníomhaíochta Seirbhísí do Chustaiméirí don tréimhse 2002 go 2005. Foilsíodh an pleán sa bláthain 2002 agus tá teacht air ar shuíomh idirlín na hOifige. Tá an pleán thíos ar ardchaighdeán feidhmíochta a bhaint amach, rud atá riachtanach, dar leis an Oifig, chun caighdeán cailíochta a sholáthar.

Leis na caighdeán atá leagtha amach sa Phlean, cuirtear san áireamh na prionsabail maidir le seirbhís chailíochta do chustaiméirí sa tseirbhís phoiblí, prionsabail a bhfuil glacadh forleathan leo, agus leagann amach an chailíocht seirbhise ar féidir dár gcustaiméirí a bheith ag súil léi. Ar an mórgóir, bhí an leibhéal feidhmíochta a baineadh amach sa bláthain 2004 i ndáil le spriocanna sonracha seirbhise do chustaiméirí (a dtaispeántar mionsonraí fúthu i bhFoscáibhinn J) sásúil agus, i gcásanna go leor, baineadh feidhmíocht 100% amach.

Leanfaidh an Oifig uirthi, trí na comhlacthaí cui agus trí Chomhairle na nÚsáidirí, ag dul i gcomhairle le húsáidirí/custaiméirí maidir le comhall fheidhmeanna na hOifige i dtaca leis an tseirbhís a bhfuil súil acu léi. Ina theannta sin, tá leathanach aiseolais chustaiméirí tugtha isteach againn ar ár suíomh idirlín d'fhoinn deis a thabhairt dár gcustaiméirí tuairimí agus moltaí a sholáthar faoin suíomh idirlín, faoina bhfuil ann agus faoin tseirbhís a fuaireadar.

Oiliúint agus Forbairt

Le linn 2004, lean forbairt na foirne ar aghaidh d'fhoinn a chinntí go bhfaigheann an fhoireann go léir oiliúint sna scileanna agus sna hinníúlachtaí a bhíonn ag teastáil chun a gcuid oibre a dhéanamh ar ardchaighdeán. De réir an Chórás Bainistíochta Forbartha agus Feidhmíochta a oibrítear san Oifig, rinneadh pleán forbartha oiliúna a dhréachtú lenar cuireadh san áireamh riachtanais oiliúna éagsúla a bhí aitheanta ag an bhfoireann ina gcuid pleannanna forbartha pearsanta.

Sa bláthain 2004, rinne an fhoireann i m'Oifige 116 lá oiliúna san iomlán. Eagraíodh agus soláthraíodh cúrsáí oiliúna sa Teicneolaíocht Faisnéise, sa scríbhneoireacht éifeachtach, i bhforbairt na bainistíochta, sa tseirbhís do chustaiméirí, i scileanna cur i láthair, sa tsainfháil phoiblí, agus sa mhachnamh soiléir criticiúil. Ina theannta sin, d'fhreastail an fhoireann ar chúrsaí maidir le hoiliúint EPOQUE in Oifig Paitinní na hEorpa.

Rinne an fhoireann tadhall dlúth le hAonad Oiliúna agus Forbartha na Roinne Fiontar, Trádála agus Fostaíochta chun oiliúint a eagrú nach bhféadfáí a sheachadadh i gCill Chainnigh.

Users Council

In May 1997, the Minister for Enterprise, Trade and Employment decided to establish a Patents Office Users Council. The terms of reference given to the Council were:

"To consider and report to the Minister on the administration of industrial property protection by the Patents Office and to advise on appropriate changes and innovations in the operation of the Office."

The Council comprises the Controller and representatives of the Association of Patent and Trade Mark Agents, Enterprise Ireland, IBEC, University College Dublin and the Licensing Executives' Society. The Council is chaired by a senior official from the Department of Enterprise, Trade and Employment. The duration of the term of appointment of members (other than the Controller, President of the Association of Patent and Trade Mark Attorneys and the Departmental representative) is limited to a three year term with effect from 1 January, 2003.

The Council met on two occasions in 2004.

Intellectual Property (Miscellaneous Provisions) Act, 1998

In my 1998 and subsequent Annual Reports I referred to the enactment of the Intellectual Property (Miscellaneous Provisions) Act, 1998 (which became law on 7th July, 1998) and the changes brought about by Sections 4 and 5 of that Act relating to the office of Controller. The provisions of these sections were introduced and enacted while Judicial Review proceedings which I had initiated earlier in 1998 were still pending and no reference to the existence of these proceedings was contained in the relevant Dáil and Seanad debates dealing with the passage of the provisions of Sections 4 and 5. At the end of 2004, the Judicial Review proceedings before the High Court were still pending.

Appendix I lists the enactments and statutory instruments made during the year.

Comhairle na nÚsáidirí

Bealtaine 1997, chinn an tAire Fiontar, Trádála agus Fostaíochta Comhairle Úsáidirí Oifig na bPaitinní a bhunú. Ba iad na téarmái tagartha a tugadh don Chomhairle ná na cinn seo a leanas:

"Breithniú a dhéanamh agus tuairisciú don Aire ar riarradh na cosanta maoine tionscail ag Oifig na bPaitinní agus comhairle a thabhairt faoi athruithe agus nuálacha cuí in oibriú na hOfige."

Is iad comhaltaí na Comhairle ná an Ceannasaí agus ionadaithe Chumann na nGníomhairí Paitinne agus Trádmharcanna, Fhiontraíocht Éireann, IBEC, Choláiste na hOllscoile, Baile Átha Cliath agus Chumann na bhFeidhmeannach Ceadúnúcháin, agus oifigeach sinsearach de chuid na Roinne Fiontar, Trádála agus Fostaíochta a dhéanann cathaoirleacht uirthi. Tá ré cheapacháin na gcomhaltaí (seachas an Ceannasaí, Uachtaráin Chumann na nAturnaetha Paitinne agus Trádmharcanna agus ionadaí na Roinne) teoranta do théarma trí bliana le héifeacht ón 1 Eanáir, 2003.

Bhí dhá chruinniu ag an gComhairle sa bhliain 2004.

An tAcht um Maoín Intleachtúil (Forálacha Ilghnéitheacha), 1998

Sa Tuarascáil Bhliantúil agam don bhliain 1998 agus i dTuarascálacha Blíantúla ina dhiaidh sin, rinne mé tagairt d'achtú an Acharta um Maoín Intleachtúil (Forálacha Ilghnéitheacha), 1998 (a ndearnadh dlí de an 7 Iúil, 1998) agus do na hathruithe a rinneadh le haitl 4 agus 5 den Acht sin, a bhaineann le hoifig an Cheannasaí. Tugadh forálacha na n-alt sin isteach agus achtaíodh iad le linn d'imeachtaí Athbhreithnithe Bhréithiúnaigh a thionscain mise níos luithe sa bhliain 1998 a bheith fós ar feitheamh agus ní raibh aon tagairt do na himeachtaí sin sna diospóireachtaí Dála agus Seanaid a bhain le rith fhorálacha ailt 4 agus 5. I ndeireadh 2004, bhí na himeachtaí Athbhreithnithe Bhréithiúnaigh os comhair na hArd-Chúirte fós ar feitheamh.

Tá liosta i bhFoscábhinn I de na hachtacháin agus de na hionstraimí reachtúla a rinneadh i rith na bliana.

In general, while the number of applications received was approximately 25% of the pre - 1992 level the number of applications received in 2004 is the lowest since 1992.

Applications claiming priority under the Paris Convention totalled 241.

Analyses by country of the applications received and patents granted are given in Appendix C and Appendix D, respectively. The number of applications received from applicants in the State was 788 compared with 862 in 2003.

Figures showing the numbers of patent applications received and patents granted by the Office during the past three years are shown in the following Table:

I gcoitinne, cé go raibh an lín iarratas a fuarthas timpeall ar 25% den leibhéal réamh-1992, tá an lín iarratas a fuarthas sa bhliain 2004 ar an lín is ísele ó bhí an bhliain 1992 ann.

Bhí 241 iarratas san iomlán ann a d'éiligh tosaíocht faoi Choinbhinsiún Pháras.

Community Designs

The Regulation on the Community Design (Council Regulation (EC) No. 6/2002 of 12 December 2001) was adopted by the Council of the European Union in December 2001. The Regulation, which came into force in March 2002, provides a system for protection of designs across the European Community through both unregistered and registered rights. An unregistered design right will accrue automatically to the proprietor of a new design who puts a product incorporating the design on the market within the Community. The right exists for a period of three years from the date of disclosure of the design within the Community and will entitle the holder to prevent others from copying the design in their products.

The registered Community Design is analogous to a registered Community Trade Mark in that it has a unitary character throughout the Community and the registration process is administered by the Office for Harmonisation in the Internal Market (OHIM) in Alicante, Spain. Registration is for a period of 5 years initially and may be renewed for up to a maximum of 25 years. Following adoption of Commission Regulation (EC) No 2245/2002 of 21 October 2002 implementing Council Regulation (EC) No 6/2002, the Registered Community Design System came into effect on 1 April 2003.

In the same way as applicants for a Community Trade Mark may file their applications to the OHIM through my Office, applicants for a Registered Community Design may also file their applications to the OHIM through the Office. During 2004, a total of 12 Community Design Applications were filed through the Office and forwarded to O.H.I.M, Alicante, Spain. The Office receives a €25 handling fee in respect of each application.

Deartháí Comhphobail

Nollaig 2001, ghlac Comhairle an Aontais Eorpaigh an Rialachán um Dhearradh Comhphobail (Rialachán Uimh. 6/2002 an 12 Nollaig 2001 ón gComhairle (CE)). Leis an Rialachán, a tháinig i bhfeidhm Márta 2002, soláthraítear córas chun deartháí a chosaint ar fud an Chomhphobail Eorpaigh trí chearta neamhchláraithe agus trí chearta cláraithe. Sa ghnáthchúrsa, rachaidh ceart deartha neamhchláraithe chuig úinéir deartha nua a chuireann tairge, ina bhfuil an dearadh, ar an margadh sa Chomhphobal. Is ceart go ceann trí bliana é ó dháta nochtadh an deartha laistigh den Chomhphobal agus tabharfaidh sé teideal don sealbhóir bac a chur le daoine eile an dearadh a chóipeáil ina dtáirgí siúd.

Is geall le Trádmharc Comhphobail é an Dearadh Comhphobail cláraithe sa mhéid is go mbaineann tréith den saghas céanna leis ar fud an Chomhphobail agus gurb é Oifig an Chomhchuibhithe sa Mhargadh Inmheánach (OCMI) in Alicante sa Spáinn a riarrann é. Is do thréimhse cúig bliana a bhíonn an clárú i dtosach báire agus féadfar é a athnuachan go ceann tréimhse suas le cúig bliana is fiche. Tar éis Rialachán Uimh. 2245/2002 an 21 Deireadh Fómhair 2002 ón gCoimisiún (CE) lena gcuirtear chun feidhme Rialachán Uimh. 6/2002 ón gComhairle (CE), tháinig Córas an Deartha Chláraithe Comhphobail i bhfeidhm an 1 Aibreán 2003.

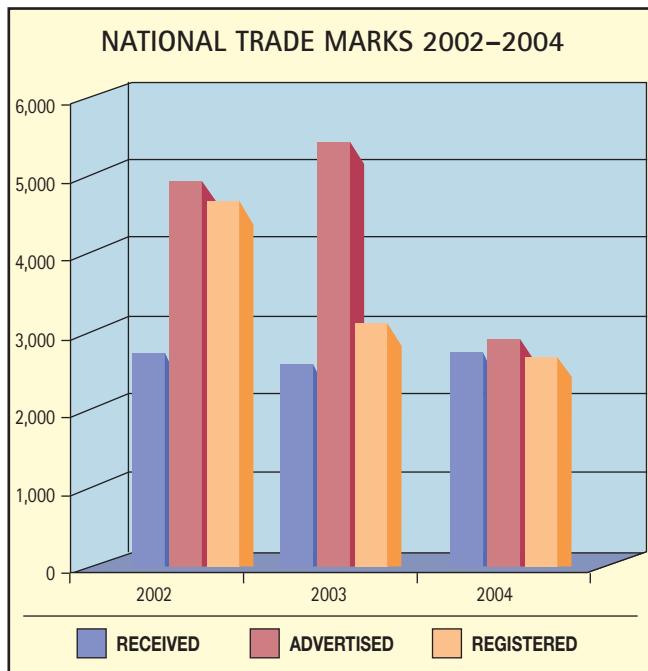

Sa tsúi chéanna agus is féidir le hiarratasóirí ar Thrádmharc Comhphobail a n-iarratais chuig OCMI a chomhdú tríd an Oifig agamsa, is féidir le hiarratasóirí ar Dhearradh Cláraithe Comhphobail a n-iarratais chuig OCMI a chomhdú tríd an Oifig agamsa. Le linn 2004, rinneadh 12 larratas Deartha Comhphobail a chomhdú tríd an Oifig agus a chur ar aghaidh chuig OCMI, Alicante, An Spáinn. Faigheann an Oifig táille láimhseála €25 i ndáil le gach iarratas.

Foráiltear le halt 71 d'Acht na dTrádmharcanna, 1996, nach bhfeidhmeoidh an Ceannasaí aon chumhacht roghnach chun dochair d'íarratasóir, nó d'úinéir, ar thrádmharc ná d'aon duine eile gan an deis a thabhairt don duine sin i dtosach báire éisteachta a fháil faoin ábhar. Tionscaíodh 25 éisteachta ex parte sa bhliain 2004 agus cuireadh i gerích 20 cás eile a bhí ag feitheamh ar éisteachta, tríd an riachtanas éisteachta a tharscaoileadh nó na hiarratais a bhí i gceist a tharraingt siar. I gcásanna inter-partes, ar cásanna iad ar an mórgóir ina gcuireann tríu páirtithe in aghaidh clárú marcanna, cuireadh 46 chás i gerích le linn 2004, inar tugadh cinntí criochnaitheacha tar éis éisteachtaí i bhfiche cás agus socraíochtaí idir páirtithe i sé chás is fiche. Bhí líon na gcásanna inter-partes a bhí ag feitheamh ar éisteachta tar éis laghdú go 40 faoi dheireadh 2004 (síos ó 57 i ndeireadh 2003) agus leanann an Oifig ar aghaidh ag obair ar an am a laghdú a thógann sé chun na cásanna sin a dhiúscairt.

Appeals

Section 79 of the Trade Marks Act, 1996 provides for appeals to the High Court against decisions of the Controller. The two notices of Appeal that were pending at the end of 2003 were not proceeded with by the Appellant. Two notices of Appeal were filed during 2004 and these were still pending at the end of the year.

Other High Court Proceedings

In 2004 I was also informed of two further High Court cases in which I was not directly involved as a Defendant but which concerned matters entered in the Register of Trade Marks. One was in respect of an application for a declaration that a particular registration is invalid and the other concerned a request for rectification of the Register in respect of a number of registrations standing in the name of a particular undertaking. Under Section 78 of the Act, the Controller is entitled to appear and be heard in such cases and shall appear if so directed by the Court. In the case of the application for rectification of the Register, I decided to exercise my entitlement under Section 78 of the Act with a view to bringing relevant facts to the notice of the Court. Both of the cases in question were still pending at the end of 2004.

Oppositions to Registration

There were 363 notifications of opposition pending at the end of 2003. During the year 148 further notifications were received. Taking into account cases decided during the year, withdrawals of oppositions and withdrawals of certain applications for registration following receipt of notice of opposition, there were 302 notices of opposition pending at the end of 2003.

Assignments and Transmissions

During the year 586 persons were entered in the Register as proprietors of trade marks consequent on assignments or transmissions. The number of trade marks affected was 2,529.

Other Matters affecting the Register of Trade Marks

There were 2 applications under Section 34 of the 1963 Act for the removal of registered marks pending at the end of 2003, both of which were decided during 2004.

There were 6 applications under Section 40 of the 1963 Act for rectification of the Register pending at the end of 2003, 2 of which were decided during 2004 leaving 4 applications pending at the end of 2004.

Achomhairc

Le halt 79 d'Acht na dTrádmharcanna, 1996, foráiltear d'achomhairc chun na hArd-Chúirte in aghaidh chinntí an Cheannasaí. Níor imigh an tAchomharcóir ar aghaidh leis an dá fhógra Achomhairc a bhí ar feitheamh i ndeireadh 2003. Comhdaidh dhá fhógra Achomhairc le linn 2004 agus bhíodar sin fós ar feitheamh i ndeireadh na bliana.

Imeachtaí Eile Ard-Chúirte

Sa bhliain 2004, cuireadh in iúl dom freisin go raibh dhá chás eile Ard-Chúirte ann, nach rabhas féin bainteach leo go síreach mar Chosantóir ach a bhain le nithe a bhí ar taifead i gClár na dTrádmharcanna. Bhain ceann amháin le iarratas ar dhearbhú go bhfuil clárú áirithe neamhbaillí agus bhain an ceann eile le iarraidh go gceartófaí an Clár i ndáil le roinnt clárúchán a bhí in ainm gnóthais áirithe. Faoi alt 78 den Acht, tá an Ceannasaí i dtéideal láithreas a thaifeadadh agus éisteacht a fháil i gcásanna den sórt sin agus beidh sé i láthair má threoraíonn an Chúirt dó amhlaidh. I gcás an iarratais ar cheartú an Chláir, chinneas an téideal a bhí agam faoi Acht 78 den Acht a fheidhmiú d'fhoínean fíoraí chuí a thabhairt ar aird na Cúirte. Bhí an dá chás sin fós ar feitheamh i ndeireadh 2004.

Freasúra Clárúcháin

Bhí 363 fógra freasúra ar feitheamh i ndeireadh 2003. Le linn na bliana, fuarthas 148 fógra eile. Ag cur san áireamh cásanna a cinneadh i rith na bliana, aistarraingt freasúra agus aistarraingt iarratas áirithe ar chlárú tar éis fógra freasúra a fháil, bhí 302 fógra freasúra fós ar feitheamh i ndeireadh 2003.

Sannaithe agus Tarchuir

Le linn na bliana, taifeadadh 586 duine sa Chláir mar úinéirí trádmharcanna de dhroim sannaithe nó tarchuir. Ba é 2,529 líon na dtrádmharcanna a bhí i gceist.

Nithe Eile a fhearrann ar Chlárú Trádmharcanna

Bhí dhá iarratas ar feitheamh i ndeireadh 2003 faoi alt 34 d'Acht 1963 le haghaidh aistarraingt marcanna cláraithe, agus cinneadh an dá cheann le linn 2004.

Bhí 6 iarratas ar feitheamh i ndeireadh 2003 faoi alt 40 d'Acht 1963 chun an Clár a cheartú, agus cinneadh dhá cheann diobh sin le linn 2004, rud a d'fhág 4 iarratas ar feitheamh i ndeireadh 2004.

There were 20 applications under Section 51 of the 1996 Act for revocation of registration pending at the end of 2003. In 2004 a further 16 applications were received. During the year 18 cases were decided leaving 18 applications pending at the end of 2004.

There were 5 applications under Section 52 of the 1996 Act for declarations of invalidity of registration pending at the end of 2003. A further 6 applications were received in 2004. During the year 3 cases were decided leaving 8 applications pending at the end of 2004.

Community Trade Mark Applications

During 2004, a total of 40 Community Trade Mark (C.T.M.) applications were filed through the Office and forwarded to the Office for Harmonisation in the Internal Market (O.H.I.M.), Alicante, Spain. The Office receives a €25 handling fee in respect of each application.

Conversion of Community Trade Mark Applications

The Trade Marks Act, 1996 (Community Trade Marks) Regulations, 2000 (S.I. No. 229 of 2000) provides a legislative basis for the conversion of European Community Trade Mark applications into national applications in certain circumstances. The most significant effect of conversion is that the Community application retains its original filing date for the purposes of its examination and registration as a national mark. Such applications must first be examined for admissibility by the Office before being processed in the same way as national applications. 43 conversion applications were received in 2004, all of which were deemed admissible.

Protocol relating to the Madrid Agreement concerning the International Registration of Marks

The Protocol relating to the Madrid Agreement concerning the International Registration of Marks is an international agreement under the aegis of the World Intellectual Property Organisation (WIPO), which allows a trade mark proprietor to make a single application to WIPO for registration of his or her mark in any or all of the countries that are party to the Protocol. Ireland ratified the Madrid Protocol on 19 July, 2001 and the State could be designated in international applications since 19 October, 2001.

During the year 3,784 international registrations designating Ireland were notified to the Office. These are examined for registrability (or "protection", as it is referred to in the Protocol) in the same way as national applications made directly to the Office under the 1996 Act. This is a growing

Bhí 20 iarratas ar feitheamh i ndeireadh 2003 faoi alt 51 d'Acht 1966 le haghaidh aisghairm clárúcháin. Sa bhliain 2004, fuarthas 16 iarratas eile. I rith na bliana, cinneadh 18 gcás, rud a d'fhág 18 n-iarratas ar feitheamh i ndeireadh 2004

Bhí 5 iarratas ar feitheamh i ndeireadh na bliana faoi alt 52 d'Acht 1996 le haghaidh dearbhú neamhbhailíochta clárúcháin. Fuarthas 6 iarratas eile sa bhliain 2004. I rith na bliana, cinneadh trí chás, rud a d'fhág 8 n-iarratas ar feitheamh i ndeireadh 2004.

Iarratais Trádmharcanna Comphobail

Le linn 2004, comhdaíodh 40 Trádmharc Comphobail tríd an Oifig agus cuireadh ar aghaidh iad chuig Oifig an Chomhchuibhithe sa Mhargadh Inmheánach (OCMI) in Alicante sa Spáinn. Faigheann an Oifig táille láimhseála €25 i ndáil le gach iarratas.

Tiontú Trádmharcanna Comphobail

Leis na Rialacháin um Acht na dTrádmharcanna, 1996 (Trádmharcanna Comphobail), 2000 (I.R. Uimh. 229 de 2000), cuirtear bonn reachtach ar fáil chun iarratais ar Thrádmharcanna Comphobail Eorpáigh a thiontú ina n-iarratais náisiúnta in imthosca áirithe. Is é an toradh is suntasai ar thiontú ná go gcoimeádann an t-iarratas Comphobail an dáta bunaidh comhdaithe ar mhaithe len é a scrúdú agus a chlárú mar mharc náisiúnta. Ní mór don Oifig iarratais den sórt sin a scrúdú i dtosach báire, féachaint an bhfuil siad cálilithe sula ndéantar iad a phróiseáil sa tstí cheáonna is a dhéantar iarratais náisiúnta a phróiseáil. Fuarthas 43 iarratas ar thiontú sa bhliain 2004, agus measadh iad go léir a bheith cálilithe.

Prótacal a bhaineann le Comhaontú Mhaidrid maidir le Clárú Idirnáisiúnta Marcanna

Is comhaontú idirnáisiúnta faoi choimirce na hEagraíochta Domhanda um Maoin Intleachtúil (EDMI) é an Prótacal a bhaineann le Comhaontú Mhaidrid maidir le Clárú Idirnáisiúnta Marcanna agus, leis sin, cuirtear ar chumas úinéir trádmharcanna iarratas aonair a dhéanamh chuig EDMI chun go gclárófar a thrádmharc nó a trádmharc in aon cheann de na tíortha ar páirtí don Phrótacal iad, nó iontu go léir. Dhaingnigh Éire Prótacal Mhaidrid, an 19 Iúil 2001, agus is féidir an Stát a aimníú in iarratais idirnáisiúnta ó bhí an 19 Deireadh Fómhair 2001 ann.

I rith na bliana, cuireadh 3,784 clárúchán idirnáisiúnta lenar ainmníodh Éire in iúl don Oifig. Déantar iad sin a scrúdú le haghaidh incláraitheachta (nó "cosaint", mar a ghairtear de sa Phrótacal) sa tstí cheáonna is a dhéantar iarratais náisiúnta a scrúdú a dhéantar go direach leis an Oifig faoi Acht 1996.

body of work and the number of international registrations designating Ireland continues to exceed the number of national applications filed directly with the Office.

Licences/Registered Users

During the year, 18 applications under Section 29 of the 1996 Act were dealt with, leaving 17 applications pending at the end of the year.

Of the applications under the 1963 Act to register registered users of marks, which were pending on 1 July 1996, 6 such applications were pending at the end of 2004.

Register of Trade Mark Agents

At the end of the year under review, there were 147 individuals and 6 partnerships entered on the Register.

Corpas oibre is ea é sin atá ag fás i gcónai, agus is mó i gcónai líon na n-iarratas idirnáisiúnta ina n-ainmnítear Éire ná líon na n-iarratas náisiúnta a chomhdaítear go díreach leis an Oifig.

Ceadúnaí/Úsáidirí Cláraithe

I rith na bliana, pléadh le 18 n-iarratas faoi alt 29 d'Acht 1996, rud a d'fhág 17 n-iarratas ar feitheamh i ndeireadh na bliana.

As na hiarratais faoi Acht 1963 chun úsáidirí cláraithe marcanna a chlárú a bhí ar feitheamh an 1 lúil 1996, bhí 6 iarratas ar feitheamh i ndeireadh 2004.

Gníomhairí Trádmharcanna a Chlárú

I ndeireadh na bliana atá faoi athbhreithniú, bhí 147 duine aonair agus 6 chomhpháirtíochta ar taifead sa Chlár.

COPYRIGHT

Disputes Referred under Section 31 of the Copyright Act, 1963

Under this Section, disputes between persons using sound recordings in public, and the owner of the copyright subsisting in the recordings, regarding the equitable remuneration payable to the copyright owner, were referred to me for determination. In the period September 1989 to December 1995, 62 references were made by establishments using sound recordings.

Following lengthy legal proceedings before the High Court and Supreme Court, which I outlined in previous reports, I was able to appoint an arbitrator, who was agreed upon by the copyright licensing body and the legal representative of the establishments involved in the references. The arbitrator was appointed on 15 July, 1996 and his award was originally expected before the end of June 1998. During June 2002 the arbitrator delivered his award in respect of two cases. Following this the two establishments in question initiated High Court proceedings by way of appeal against the arbitration awards. I was named as a co-defendant in these proceedings. On the 7 November 2002 the matter came before the Master of the High Court who made an order adjourning generally the Plaintiffs' actions against me. The case was heard in 2004. Ms Justice Laffoy's decision dated 12 May 2004 was to vitiate the arbitrators award in these two cases and to hear submissions from the parties as to the construction of a tariff which will vary the arbitrators award. An Order which presents a new tariff formulated having regard to the perspectives in Ms Justice Laffoy's judgement has been made and a copy has been received by the Office. The arbitrator did not deliver any further arbitration awards during 2004.

Disputes Referred under Section 38 of the Copyright & Related Rights Act, 2000

The Copyright and Related Rights Act 2000, which modernises Irish Copyright Law commenced on 1 January 2001 with the exceptions of Sections 98, 198, 199, and 247.

This new Act considerably extended my statutory functions in the copyright domain. As mentioned in previous Reports I have informed the Department of Enterprise, Trade & Employment that certain of the functions allocated to me under the Copyright and Related Rights Act, 2000 require specialist staff for their discharge and I gave an estimate of the kind and number of staff required – essentially someone with accounting expertise and a legal background. However, no additional staff have yet been assigned for this work.

CÓIPCHEART

Díospóidí a Tarchuireadh faoi Alt 31 den Acht Cóipchirt, 1963

Faoin alt sin, cuireadh faoi mo bhráidse díospóidí idir daoine a úsáideann taifeadtaí fuaimé go poiblí agus úinéir an chóipchirt atá ar marthain sna taifeadtaí, maidir leis an íocaiocht chothrom is iníocha leis an úinéir cóipchirt. Sa tréimhse Meán Fómhair 1989 go Nollaig 1995, chuir bunaíochtaí a úsáideann taifeadtaí fuaimé 62 chás faoi mo bhráid.

Tar éis imeachta fada dlíthiúla os comhair na hArd-Chúirte agus na Cúirte Uachtaraí, atá leagtha amach agam i dtuarascálacha roimhe seo, bhí ar mo chumas eadránaí a cheapadh, a ndearna an comhlacht ceadúnúcháin cóipchirt agus ionadaí dlíthiúil na mbunaíochtaí a bhí páirteach sna tarchuir comhaontú air. Ceapadh an t-eadránaí, an 15 lúil 1996, agus bhíothas ag súil lena dhámhachtain siúd i dtosach roimh dheireadh Mheitheamh 1998. Le linn Mheitheamh 2002, thug an t-eadránaí a dhámhachtain i ndáil le dhá chás. Ina dhiaidh sin, thionscain an dá bhunaíocht a bhí i gceist imeachtaí Ard-Chúirte ar mhodh achomhairc in aghaidh an dá dhámhachtain eadrána. Ainmníodh mise mar chomhchosantóir sna himeachtaí sin. An 7 Samhain 2002, tháinig an tsaincheist os comhair Mháistir na hArd-Chúirte agus rinne seisean ordú ag cur ar athló i gcoitinne caingne na nGearánaithe i m'aghaidhse. Éisteadh an cás sa bliaín 2004. Ba é cinneadh an Bheithimh Laffoy dár dáta 12 Bealtaine 2004 ná neamhbailíocht a dhéanamh ar dhámhachtain an eadránaí sa dá chás agus aighneachtaí a éisteacht ó na páirtithe maidir le cruthú taraipe lena ndéanfar cinneadh an eadránaí a athrú. Tá ordú lena gcuirtear taraipe nua chun cinn, a foirmlíodh ag féachaint do na léargais i mbreith an Bheithimh Laffoy déanta agus tá cóip faigte ag an Oifig agamsa. Níor thug an t-eadránaí aon chinneadh eile eadrána le linn 2004.

Díospóidí a Cuireadh faoi mo Bhráid faoi Alt 38 den Acht Cóipchirt agus Ceart Gaolmhar, 2000

Thosaigh an tAcht Cóipchirt agus Ceart Gaolmhar 2000, lena ndéantar nua-aimsiriú ar Dhlí Cóipchirt na hÉireann, an 1 Eanáir 2001, seachas ailt 98, 198, 199 agus 247. Leis an Acht nua sin, leathnáodh go mór na feidhmeanna reachtúla atá agamsa i gcúrsaí cóipchirt. Mar a luadh i dtuarascálacha roimhe seo, tá sé curtha in iúl agam don Roinn Fiontar, Trádála agus Fostaiochta go mbeidh gá le sainfhoireann chun feidhmeanna áirithe de na feidhmeanna a chuirtear ormsa faoin Acht Cóipchirt agus Ceart Gaolmhar 2000 a chomhall agus thugas meastachán faoin gcineál agus faoin líon foirne a bheadh ag teastáil – go hachomair duine ag a mbeadh saineolas cuntasáiochta agus cúrla dli. Níl aon fhoireann bhirese sannta le haghaidh na hoibre seo fós, áfach.

Since the commencement of the Copyright and Related Rights Act 2000, I have received 107 references of disputes under Section 38(4), 89 of which were still pending at the end of 2004. To date, I have decided to refer 68 of these disputes (involving discos/nightclubs), to arbitration and invited the parties to propose the names of persons to me who might be appointed as arbitrator; that matter had not concluded by the end of the year.

I mentioned in my Report for 2003 that the dispute relating to a licensing scheme submitted to me pursuant to Section 159 was settled in December 2003. As to the costs involved, I made an Order in January 2004 (pursuant to section 364 of the Act) and this brought the matter to a conclusion.

The Act also makes provision for me to establish and maintain the following Registers;

- Register of Copyright Licensing Bodies
- Register of Licensing Bodies for Performers' Property Rights
- Register of Licensing Bodies for Database Rights

There were 8 organisations registered in the Register of Copyright Licensing Bodies as at the end of 2003; no new application for registration in the register was received in 2004.

I also have one application, received in 2001, for registration in the Register of Licensing Bodies for Performers' Property Rights. However, due to the fact that the statutory instrument regulating the registration procedure in respect of this matter has not yet been made by the Minister, I have been unable to date, to deal with the application received.

Ó thosach feidhme an Acharta Cóipchirt agus Ceart Gaolmhar 2000, tá 107 ndíospóid curtha faoi mo bhráid faoi alt 38(4), agus bhí 89 de na cásanna sin fós ar feitheamh i ndeireadh 2004. Go n-úige seo, tá cinneadh glactha agam 68 de na diospóidí sin (a bhaineann le dioscónna/clubanna oíche) a chur chun eadrána agus tá iarrtha agam ar na páirtithe ainmneacha daoine a mholadh dom a d'fhéadfaí a cheapadh mar eadránaí; ní raibh an t-ábhar sin tugtha chun críche faoi dheireadh na bliana.

Luaigh mé i mo thuarascáil don bhliain 2003 gur réitiodh, Nollaig 2003, an diospóid a bhain le scéim ceadúnúcháin agus a cuireadh faoi mo bhráid de bhun alt 159. Maidir leis na costais a bhí i gceist, rinne me Ordú, Eanáir 2004, de bhun alt 364 den Acht, agus thug sé sin an gnó chun críche.

Ina theannta sin, tá foráil san Acht go ndéanfainnse na Cláir seo a leanas a bhunú agus a chothabháil:

- Clár na gComhlachtaí Ceadúnúcháin Cóipchirt
- Clár na gComhlachtaí Ceadúnúcháin um Chearta Maoine Taibheoirí
- Clár na gComhlachtaí Ceadúnúcháin um Chearta Bunachair.

Bhí ocht n-eagraíocht cláraithe i gClár na gComhlachtaí Ceadúnúcháin Cóipchirt i ndeireadh na bliana 2003. Ní bhfuarthas aon iarratas nua le haghaidh clárú sa chlár le linn na bliana 2004. Ina theannta sin, tá iarratas amháin agam, a fuarthas sa bhliain 2001, le haghaidh clárú i gClár na gComhlachtaí Ceadúnúcháin um Chearta Maoine Taibheoirí. Toisc nach bhfuil an ionstraim reachtíil lena rialófar an nós imeachta clárúcháin i ndáil leis an ní sin déanta ag an Aire go fóill, áfach, ní raibh ar mo chumas go n-úige seo plé leis an iarratas a fuarthas

INTERNATIONAL MATTERS

Directive on the Enforcement of Intellectual Property Rights

The Directive aims to harmonize the law and practice in all Member States in relation to enforcement measures to protect intellectual property. It includes procedures covering evidence and the protection of evidence and provisional measures such as injunctions and seizure. Remedies available to right holders include the destruction, recall or permanent removal from the market of illegal goods, as well as financial compensation, injunctions and damages. The directive includes a right of information allowing judicial authorities to order certain persons to reveal the names and addresses of those involved in distributing illegal goods or services.

During the Irish Presidency, the Directive was adopted on First Reading by the European Parliament in March 2004 and by the Council in April 2004. The Directive was published in the Official Journal of the European Union (L 157) on 30 April 2004. Member States have a period of twenty-four months to transpose the directive into national law.

Directive of the European Parliament and of the Council amending Directive 98/71/EC on the legal protection of designs

This Directive, which was proposed by the Commission in September 2004, concerns design protection of spare parts intended to restore the appearance of complex products such as motor vehicles. It aims to remove the option provided for in the original designs Directive adopted in 1998 (98/71) by introducing a "repairs clause" so that visible parts can be freely reproduced by independent parts manufacturers and marketed throughout the EU for repair purposes to restore the original appearance of the product. In so doing, the Commission wish to complete the Internal Market in this sector which is currently fragmented in that just 9, including Ireland, of the 25 Member States have opened up the after-sales market in spare parts for repair purposes. Discussion on the draft Directive commenced at Council Working Group level in late 2004 and will continue in 2005.

Proposal for Regulations amending Regulation (EC) 2868/95 (the Implementing Regulation) and Regulation (EC) 2869/95 (the Fees Regulation) of the CTMR

The changes to the Community Trade Mark Regulation enacted by Council Regulation (EC) 422/2004 necessitate corresponding changes to Regulation (EC) 2868/95 (the Implementing Regulation) and Regulation (EC) 2869/95 (the Fees Regulation). A Committee chaired by the Commission is

Treoir maidir le Cearta Maoine Intleachtúla a Forfheidhmiú

Tá sé i gceist leis an Treoir comhchuibhiú a dhéanamh ar an dlí agus ar an gleachtas sna Ballstáit go léir i ndáil le bearta forfheidhmithe chun maoin intleachtúil a chosaint. Áirítear inti nósanna imeachta maidir le fianaise agus cosaint fianaise agus tá bearta sealadacha ann – urghairí agus urghabháil, mar shampla. Ar na réitigh atá ar fáil do shealbhóirí ceart, tá earrai mídhleathacha a scriosadh, a aistarraingt agus a bhaint den mhargadh go buan, agus cúiteamh airgid, urghairí agus damáistí. Tá ceart chun faisnéise san áireamh sa Treoir lena gceadaítear d'údarás bhreithiúnacha a ordú do dhaoine áirithe aim agus seoladh daoine atá páirteach i ndáileadh earrai nó seirbhísí mídhleathacha a noctadadh.

Le linn Uachtaráinacht na hÉireann, ghlac Parlaimint na hEorpa an Treoir ar an gCéad Léamh, Márt 2004, agus ghlac an Chomhairle i, Aibreán 2004. Foilsíodh an Treoir in Iris Oifigiúil an Aontais Eorpáigh (L 157) an 30 Aibreán 2004. Tá tréimhse ceithre mhí ar fhichid ag Ballstáit chun an Treoir a thras-astríú isteach sa dlí náisiúnta.

Treoir ó Pharlaimint na hEorpa agus ón gComhairle lena leasaítear Treoir 98/71/CE maidir le cosaint dhílíthiúil deartháí

Baineann an Treoir sin, a mhol an Coimisiún mí Mheán Fómhair 2004, le cosaint deartháí páirteanna spártha a bheartaítear chun an chuma atá ar earrai casta a aisiriú – mótarfheithicíl, mar shampla Tá sí diríthe ar deireadh a chur leis an rogha dár foráladh sa Treoir bhunaidh deartháí a glacadh sa bhliain 1998 (98/71) trí "clásal deisiúcháin" a thabhairt isteach chun go bhféadfaidh monaróirí neamhspleácha páirteanna infheicthe a atáirgeadh gan srian agus iad a chur ar an margadh ar fud an Aontais Eorpáigh chun críocha deisiúcháin chun an chuma bhunaidh a bhí ar an earra a thabhairt ar ais. Á dhéanamh sin dóibh, is mian leis an gCoimisiún an Margadh Inmheánach a thabhairt chun críche san earnáil sin, earnáil atá scapthe faoi láthair sa mhéid is nach bhfuil ach naoi gcinn de na Ballstáit, Éire san áireamh, tar éis an margadh iardhíolacháin i bpáirteanna spártha a oscailt chun críocha deisiúcháin. Thosaigh an plé ar an dréacht-Treoir ar leibhéal an Ghasra Oibre Comhairle i dtreo dheireadh na bliana 2004 agus leanfaidh sé ar aghaidh sa bhliain 2005.

currently discussing proposed changes to the Implementing and Fees Regulations. In terms of the Implementing Regulation, changes are proposed to the format and content of national search reports to take effect from March 2008 and, in relation to the fees Regulation, amendments to the scale of fees charged by OHIM are under consideration.

EU Accession to the Madrid Protocol

The Community Trade Mark Registration system and the International Registration system for trade marks under the Madrid Agreement and the Madrid Protocol has been operating in tandem for some years. Establishing a link between both systems to enhance the integration and functioning of the internal market has been under consideration at EU level for some time and agreement on this issue was reached in 2003. The link would enable a Community Trade Mark to be used as the basis for an international registration of the same mark under the Madrid Protocol established in 1989 and, vice versa.

The necessary measures to give effect to the Council decision were agreed in 2004, which allowed the EU deposit its instrument of accession with WIPO in June 2004. EU accession took effect from 1 October 2004 from which time it has been possible to use a Community Trade Mark as the basis for an International registration under the Protocol and, vice versa.

Proposal for a Directive of the European Parliament and of the Council on the patentability of computer-implemented inventions

Computer programs "as such" are generally excluded from patentability under EU Member States' patent laws and under the European Patent Convention, which applies to the operation of the European Patent Office (EPO). However, the application of the legal provisions in the various jurisdictions and by the EPO is divergent. There are differences, in particular, between the case law of the Boards of Appeal of the European Patent Office and the courts of Member States. Thus, a computer-implemented invention may be protected in one Member State but not in another, which has direct and negative effects on the proper functioning of the internal market.

On 18 May, 2004, the Competitiveness Council reached political agreement on a common position, based on a proposal put forward by the Irish Presidency. The text agreed took account of certain amendments proposed by the European Parliament and also included a number of amendments put forward by delegations to further clarify the conditions under which a computer implemented invention might be patented. Following formal adoption of the common

Rialachán (CE) 2869/95 (an Rialachán Táillí). Tá Coiste, a bhfuil an Coimisiún ag déanamh cathaoirleachta air, ag plé athruithe faoi láthair a bheartaítear a dhéanamh ar na Rialacháin Forfheidhmithe agus Táillí. Maidir leis an Rialachán Forfheidhmithe, tá athruithe beartaíte ar leagan amach agus ábhar na dtuarascálacha cuardaigh náisiúnta le héifeacht ó Mhárta 2008 ar aghaidh agus, i ndáil le Rialachán na dTáillí, tá athruithe ar scála na dtáillí a ghéarrann OCMI á mbreithniú.

Aontú AE do Phrótacl Mhaidrid

Tá córas Chlárú Trádmharcanna an Chomhphobail agus córas an Chláraithe le haghaidh trádmharcanna faoi Chomhaontú Mhaidrid agus Prótacal Mhaidrid ag oibriú le chéile le roinnt blianta anuas. Tá an moladh nasc a bhunú idir an dá chóras d'fhonn comhionmlánú agus feidhmiú an mhargaidh inmheánaigh a fheabhsú á phlé ar leibhéal AE le tamall maith anuas agus thángthas ar chomhaontú ar an tsaincheist sin sa bhliain 2003. Leis an nasc sin, d'éascófaí úsáid Trádmhairc Comhphobail mar bhonn le clárú idirnáisiúnta an mhairc chéanna faoi Phrótacl Mhaidrid a bunaíodh sa bhliain 1989 agus vice versa.

Aontáodh na bearta riachtanacha chun éifeacht a thabhairt do chinneadh na Comhairle sa bhliain 2004, agus leis an gcinneadh sin cuireadh ar chumas AE a ionstraim aontachais a thaisceadh le EDI, Meitheamh 2004. Tháinig aontachas AE i bhfeidhm amhail ón 1 Deireadh Fómhair 2004 agus is féidir ón am sin i leith Trádmharc Comhphobail a úsáid mar bhonn le clárú Idirnáisiúnta faoin bPrótacal agus vice versa.

Togra le haghaidh Treorach ó Pharlaimint na hEorpa agus ón gComhairle ar inphaitinneacht aireagán ríomhfeidhmithe

I gcoitinne, ní bhíonn cláracha ríomhaire san áireamh san inphaitinneacht faoi dhlíthe paitinne Bhallstáit AE ná faoi Choinbhinsiún Paitinní na hEorpa, a bhfuil feidhm aige maidir le hoibriú Oifig Paitinní na hEorpa (OPE). Ní mar a chéile, áfach, feidhm na bhforálacha dlíthiúla sna dlínsí éagsúla agus feidhm na bhforálacha dlíthiúla ag OPE. Tá difríochtaí go háirithe idir cásdlí Bhoird Achromhairc Oifig Paitinní na hEorpa agus cásdlí chúirteanna na mBallstát. Is féidir, mar sin, aireagán ríomhfeidhmithe a chosaint i mBallstát amháin ach gan é sin a dhéanamh i mBallstát eile, rud a mbíonn tionchar díreach diúltach aige ar fheidhmiú ceart an mhargaidh inmheánaigh.

18 Bealtaine 2004, tháinig an Chomhairle lomaíochais ar chomhaontú polaitiúil ar chomhsheasamh, bunaithe ar thogra a chuir Uachtaráinacht na hÉireann ar aghaidh. Sa téacs a aontaíodh, cuireadh san áireamh leasuithe áirithe a mhol Parlaimint na hEorpa agus áiríodh ann freisin leasuithe a chuir toscaireachtaí ar aghaidh chun tuilleadh soiléiriú a dhéanamh ar na coinníollacha faoina ndéanfaí aireagán ríomhfeidhmithe a phaitinní. Tar éis don Chomhairle an comhsheasamh a ghlacadh, cuirfear an comhad ar ais chuig an bParlaimint le

position by Council, the dossier will go back to Parliament for a second reading, the next stage in the co-decision process. Formal adoption had not occurred by end 2004.

Proposal for a Council Regulation on the Community Patent

In March 2003, the Competititiveness Council agreed a common political approach on a proposal aimed at creating a new unitary patent system covering the whole territory of the Community. The agreement sets out the parameters to apply to the contentious elements of translations and costs, the role of the national patent offices, distribution of fees for community patents and the jurisdictional system.

Subsequent Competitiveness Councils failed to reach the unanimous political agreement required on the draft Community Patent Regulation due to issues around translations, and in particular the legal effect of translations where these are inaccurate.

In June 2004 the European Council concluded that "a period of reflection should be used to see how to move forward, taking account of the support by all Member States for the principle of a Community Patent."

Trade Mark Law Treaty

The Trademark Law Treaty (TLT) was originally signed in 1994 and to date has been ratified by thirty-two WIPO member countries (including Ireland). The purpose of the Trademark Law Treaty is to achieve worldwide harmonisation and simplification of administrative procedures relating to trade marks. These procedures mainly concern the formalities connected with trade mark applications and renewal of trade marks registrations. This is of benefit to trade mark owners and their professional representatives.

A revision of the TLT to enhance the areas on which harmonisation exists is under discussion within the World Intellectual Property Organisation (WIPO).

A Diplomatic Conference to adopt a revised TLT is scheduled to take place from 13-31 March 2006.

Accession of Ireland to the Berne Convention (Paris Act)

On 2 December, 2004, Ireland deposited instruments of accession to the Berne Convention on the Protection of Literary and Artistic Works, as revised at Paris on July 24, 1971 and amended on September 27, 1979. The Copyright and Related Rights Act 2000 (Number 28 of 2000) brought Irish copyright law into conformity with the Paris Act of the Berne Convention.

Togra le haghaidh Rialachán ón gComhairle ar an bPaitinn Chomhphobail

Márta 2003, d'aontaigh an Chomhairle lomaíochais cur chuige polaitiúil i ndáil le togra a bhí dírithe ar chóras nua aonmhar paitinní a chruthú a chlúdódh críoch uile an Chomhphobail. Sa chomhaontú, leagtar amach na teorainneacha a bheidh i bhfeidhm maidir le gnéithe conspóideacha – aistriúcháin agus costais, ról na n-oifigí náisiúnta paitinne, dáileadh táillí le haghaidh paitinní Comhphobail agus an córas dlínseach.

Níor éirigh le Comhairle lomaíochais ina dhiaidh sin teacht ar an gcomhaontú polaitíocha d'aon ghuth a bhí ag teastáil ar an dréacht-Rialachán Paitinne Comhphobail de dheasca saincheisteanna a bhain le haistriúcháin, go háirithe tionchar dlíthiúil aistriúchán i gcás nach bhfuil siad cruinn.

Meitheamh 2004, tháitail Comhairle na hEorpa gur chóir tréimhse machnaimh a úsáid féachaint conas a d'fhéadfá bogadh ar aghaidh, ag cur san áireamh tacaíocht na mBallstát go léir do phrionsabal na Paitinne Comhphobail.

Conradh um Dhlí Trádmhairc

Síniodh an Conradh um Dhlí Trádmhairc (CDT) sa bhliain 1994 agus go n-úige seo tá dhá bhallstát is triocha (Éire san áireamh) de chuid na hEagraíochta Domhanda um Maoín Intleachtúil (EDMI) tar éis é a dhaingniú. Is é an cuspóir atá leis an CDT ná comhchuibhíu domhanda agus simpliú a bhaint amach ar na nósanna imeachta riarracháin a bhaineann le trádmharcanna. Baineann na nósanna imeachta sin go príomha le foirmeáltachtaí maidir le hiarratais trádmhairc agus athnuachan ar chlárúcháin trádmhairc. Tá sé sin ceaptha dul chun leasa úinéirí trádmharcanna agus a n-ionadaíthe gairmiúla.

Tá athbhreithniú ar CDT, chun cur leis na réimsí ina bhfuil comhchuibhíu ar bun, á phlé laistigh d'EDMI.

Tá Comhdháil Taidhleoireachta le bheith ann ón 13-31 Márta 2006 chun CDT athbhreithnithe a glacadh.

Aontachas na hÉireann do Choinbhinsiún Berne (Ionstraim Pháras)

An 2 Nollaig 2004, rinne Éire ionstraimí aontachais le Choinbhinsiún Berne maidir le Cosaint Saothar Liteartha agus Ealaíonta, arna athbhreithniú i bPáras, an 24 Iúil 1971, agus arna leasú an 27 Meán Fómhair 1979, a thaisceadh. Leis an Acht Cóipchirt agus Ceart Gaolmhar 2000 (Uimhir 28 de 2000) cuireadh dlí cóipchirt na hÉireann de réir ionstraim Pháras de Choinbhinsiún Berne.

INFORMATION TECHNOLOGY

The Department of Enterprise, Trade and Employment provides the IT infrastructure and the support and maintenance of the Office's administration systems and provides the funding for the expenditure involved.

Having already implemented e-Journal, e-Registers and e-Database systems, the Office completed its e-Commerce programme when the new Online Renewal Payment System went live on 15 December 2004. The new system, funded by the Information Society Fund, was delivered at a total cost of €80,000 (a saving of €120,000 on the original budget allocation of €200,000). Customers of the Office can now pay Renewal Fees online using Visa, MasterCard or Irish Debit Cards (Laser) from anywhere in the world.

The new system interfaces with the existing administration system (Ptolemy) to provide a fully automated renewal process; from payment of renewal fee to issue of renewal certificate and updating of the Office databases and registers.

The on-going development of enhancements to the Ptolemy system continued throughout the year. The many changes included the automatic generation of letters, a new Industrial Design Application Form and amendments to the importation modules for European Patent and International Trade Mark data.

The Office moved to the latest versions of its Trade Mark Search System (Acsepto), which was also upgraded to incorporate the Community Trade Mark database (CTM) for more effective and efficient administrative searching.

These developments and planned initiatives will ensure that the Office continues to provide its customers and the general public with the most up-to-date and efficient facilities and services expected from a modern Intellectual Property Office.

TEICNEOLAÍOCHT FAISNÉISE

Cuireann an Roinn Fiontar, Trádála agus Fostaíochta an bonneagar TF ar fáil maille le tacáiocht agus cothabháil do chórais riarrachán na hOifige agus cuireann an Roinn an mhaoiniú le haghaidh an chaiteachais ar fáil.

Tar éis dúinn na córais a bhaineann le ríomhIris, ríomhChláir agus ríomhBhunachar a chur i bhfeidhm, chuir an Oifig críoch lena clár ríomhThráchtála nuair a d'imigh an Córas Íocaiochta Athnuachana Ar-Líne nua beo, an 15 Nollaig 2004. Seachadadh an córas nua, arna mhaoiniú le Ciste na Sochaí Faisnéise, ar chostas iomlán €80,000 (coigilt €120,000 ar an leithroinnt buiséid tosaigh €200,000). Is féidir le custaiméirí de chuid na hOifige Táillí Athnuachana a ioc ar-líne anois agus Visa, MasterCard nó Cártai Dochair Éireannacha (Léasar) a úsáid aon áit ar domhan.

Tá comhéadan ag an gcóras nua leis an gcóras riarrachán reatha (Ptolemy) chun próiseas athnuachana lánúathoibríoch a sholáthar; ó íocaiocht táillí athnuachana go dtí eisiúint deimhnithe athnuachana agus uasdátú bhunachair agus chláir na hOifige.

Leanadh ar aghaidh le forbairt leanúnach feabhsúchán ar chóras Ptolemy i rith na bliana. Ar na hathruithe iomadúla a tharla, bhí giniúint uathoibríoch litreacha, Foirm larratais um Dheارadh Tionscail nua agus leasuithe ar na modúil iompórtála le haghaidh sonraí a bhaineann le Paitinní Eorpacha agus Trádmharcanna Idirnáisiúnta.

Bhog an Oifig ar aghaidh go dtí na leaganacha is déanaí dá Córas Cuardaigh Trádmharcanna (Acsepto), a uasghrádaíodh freisin chun an bunachar Trádmhairc Comphobail a thabhairt isteach agus guardach riarrachán éifeachtach agus éifeachtúil a bhaint amach.

Leis na forbairtí agus na tionscainmh phleanáilte sin, cinnteofar go leanfaidh an Oifig ar aghaidh ag soláthar na n-áiseanna agus na seirbhísí is nua amuigh a mbeifi ag súil leo ó Oifig Maoine Intleachtúla nua-aimseartha dá custaiméirí agus don phobal i gcoitinne.

COMMENTARY ON THE PATENTS STATISTICS IN APPENDICES C and D

Appendix C indicates that applications for patents from applicants within the State accounted for 93.25% of the total applications for patents received during the year. As regards patents granted during the year, Appendix D indicates that grants to applicants within the State accounted for 65.73% of the total grants. These figures, taken in isolation, might tend to suggest that the level of innovative activity within the State is comparatively high. While the figures show precisely the outcome for 2004 in relation to applications received and patents granted, they should not be taken in isolation. To put them into the appropriate context it is necessary to recall that Ireland is a contracting party to the European Patent Convention and, under that Convention, applications are made annually directly to the European Patent Office designating Ireland and patents are granted annually by the European Patent Office with effect in Ireland (the same effect as if they had been granted by my Office). Accordingly, when account is taken of the Patents granted by the European Patent Office effective in the State in 2004, the following picture emerges:

Patents granted in 2004 having effect in the State

	Number	Number of patents granted to Applicants from within the State	% of patents granted to Applicants from within the State
Granted by Office	496	326	65.73%
Granted by EPO	26,445	115	0.43%
Total Grants	26,941	441	1.63%

RÁITEAS AR NA STAITISTICÍ PAITINNÍ I bhFOSCRÍBHINNÍ C AGUS D

Léirítear i bhFoscríbhinn C gurbh ionann iarratais ar phaitinní ó iarratasóirí laistigh den Stát agus 93.25% de na hiarratais iomlána ar phaitinní a fuarthas le linn na bliana. Maidir le paitinní a deonaíodh le linn na bliana, léirítear i bhFoscríbhinn D gurbh ionann deonuithe d'iarratasóirí laistigh den Stát agus 65.73% de na deonuithe iomlána. B'fhéidir go dtabharfadhl na figiúirí seo le fios, astu féin, go bhfuil an leibhéal gníomhaíochta nuálai sa Stát ard i gcomparáid le háiteanna eile. Cé go léiríonn na figiúirí an toradh cruinn don bhliaín 2004 i ndáil le hiarratais a fuarthas agus paitinní a deonaíodh, níor chóir féachaint orthu ina n-aonar. Chun iad a chur sa chomhthéacs cuí, is gá a thabbhairt chun cuimhne gur páirtí conarthaí le Coinbhinsiún Paitinní na hEorpa í Éire agus, faoin gCoinbhinsiún sin, déantar iarratais go bliantúil go díreach le hOifig Paitinní na hEorpa lena n-ainmnítear Éire agus déanann Oifig Paitinní na hEorpa paitinní a dheonú go bliantúil agus éifeacht leo in Éirinn (an éifeacht chéanna is a bheadh leo dá mba í m'Oifigse a bhí tar éis iad a dheonú). Dá réir sin, nuair a chuirtear i gcuntas na Paitinní a dheonaigh Oifig Paitinní na hEorpa agus a raibh éifeacht leo sa Stát sa bhliaín 2004, tagann an pictíúr seo a leanas chun cinn:
