Patent Rules 1992 – Rule 77 – Office Closure

This Office will be closed to the public on Monday 03rd June 2019.

Register of Patent Agent Rules, 1992**October 2019 Examination Arrangements**

Subject to there being a demand therefor by a sufficient number of eligible candidates, the Patent Agents Board proposes to arrange with the UK Patent Examination Board (PEB) for the holding of some or all of the following written examinations in October, 2019 for the purpose of Rules 7 and 8 of the above mentioned rules.

The PEB has been authorised by the UK Intellectual Property Regulation Board (IPReg) to conduct the Final Diploma examinations from 2014.

Therefore, the 2019 examinations will be organised by the PEB and will be in the same format and for the same subjects as previously set by the JEB. The examinations will consist of the following Final Diploma examinations of the PEB.

Tuesday	15 October, 2019	Paper FD4 (P6)
	10.00a.m. – 3.00 p.m.	Infringement and Validity
Wednesday	16 October, 2019	Paper FD3 (P4)
	10.00a.m. – 1.00p.m.	Amendment of Specifications
Thursday	17 October, 2019	Paper FD2 (P3)
	10.00a.m. – 2.00p.m.	Drafting of Patent Specifications

The full timetable can be found here: <http://www.cipa.org.uk/patent-examination-board/support/examination-information/>

Candidates wishing to be examined in these papers should register with the PEB using the form which can be found here: <http://www.cipa.org.uk/patent-examination-board/registration/>.

You will then receive an invoice to pay the appropriate fee **directly to the PEB. Candidates should not pay any fee to the Irish Patents Office.** The current fees can be found here: <http://www.cipa.org.uk/patent-examination-board/support/examination-information/>

Irish candidates are advised that in order to proceed with the PEB registration form they should answer “yes” to Questions 2 and 4. This will then allow the candidate to access entry to the finals examinations listed in question 6.

The PEB have indicated that they will be able to identify an Irish candidate by virtue of that candidate selecting the ‘Ireland’ venue and that Irish candidates are therefore not subject to the same progression rules as UK candidates.

Applications for Patents From 19/03/2019 to 24/04/2019

The names of applicants are in alphabetical order. In the case of joint applicants, each name is given independently. The title of the invention should not be regarded as an exhaustive indication of the subject-matter. The date immediately following the title is that on which the application was filed; in the case of a divisional application, the filing date of the earlier application is added within parentheses. In the case of a Convention application the Convention country and priority date(s) claimed are given in square brackets and where an application claimed the priority of an earlier application filed at the office, this information is given within the square brackets. The number is that of the application and should be used for correspondence purposes up to the date of grant of a patent. The letter S preceding the number indicates that the application is for a short-term patent. A new number will be given when a patent is granted and this new number should be quoted in all correspondence subsequent to grant.
