

Annex 1

Statement of compliance

Name of CMO: Irish Visual Artists Rights Organisation CLG

Reporting Period:

Up to 20th February 2022

Pursuant to the obligation set out in Regulation 34 of the European Union (Collective Rights management) (Directive 2014/26/EU) Regulations 2016 and Section 175(7A) of the CRRA, I confirm that I have been duly authorised by the abovementioned Collective Management organisation (CMO)/copyright licensing body to submit a statement of compliance in respect of that body and in that capacity, I do hereby confirm that to the best of my knowledge:

The Irish Visual Artists Rights Organisation is in the process of complying with all of its obligations and requirements (including any requirement to provide appropriate supporting evidence or documentation) under the Regulations and as set out in the detailed report annexed to this statement. Due to the COVID restrictions and some difficulties in obtaining original documents from the bank, which have been resolved on 16th March 2021, there are delays in finalising the annual accounts for reporting purposes for the 2020 financial year. There is an extension of time offered by the CRO until the end of May 2022 for filing and we will be in full compliance with all reporting obligations in advance of that date, including signed and filed annual accounts and an up-to-date Transparency Report. 2018 and 2019 which were delayed due to COVID have been filed and are up to date.
