### Worked example

An organisation with 25 staff and a turnover of £7m would pay a **basic licence fee of £372 per annum**.  
If 10 regional newspapers are needed, the fee is **£386 per annum**.  
If 20 magazine titles are also required, the fee is **£386+£90= £476 per annum**.

# Need to do more with the content?

If you want to circulate content more widely and more frequently, such as daily press alerts, within your organisation, you can supplement the basic level of copyright cover by adding 'Frequent'\* copying to the licence.

Whether this is done in-house or you receive and distribute content which you get from a third party such as a media monitoring or public relations agency, you would need one of the licence additions.

The frequent paper and/or digital fees are in addition to the basic licence fee and include cover for (but not limited to):

## Frequent Paper Copying

- Photocopying or printing a set number of copies of each article you use
- Frequently photocopying or printing out articles which you receive from a third party

## Frequent Digital Copying

- Scanning and emailing articles to your staff
- Placing articles on an intranet or shared drive for your staff to view
- Allowing your staff to access articles via your media monitoring service
- Emailing articles, which you receive from your PR agency, within your organisation

There are three digital options available:

**The Variable Option**, suitable for the majority of organisations, is calculated on a price per copy basis.

The **Fixed** and **Universal Options** are suitable for organisations wanting to undertake higher volumes of digital copying. Please see overleaf for more details on these two options.

\* Refer to the definition of 'Frequent' in the terms and conditions

## Worked example

### Frequent Paper Fee

If an organisation photocopies five articles to five staff over a two week period:

5 articles x 5 copies x 26 x 6.5p = £42.25, **in addition to the basic licence fee.**

### Frequent Digital Variable Fee

The variable option is calculated in the same way. So if 25 newspaper articles were emailed to 10 staff over a two week period:

25 newspapers articles x 10 staff x 26 x 15.5p = £1,007.50 per year, **in addition to the basic licence fee.**

And if 10 magazine articles were emailed to 5 staff over a two week period:

10 magazine articles x 5 staff x 26 x 15.5p = £201.50, **in addition to the basic licence fee.**

## Frequent Paper Fees

Photocopied articles are priced in pence per copy.

The frequent fee is calculated by multiplying the annual volume of copies by the price per copy.

Category	Price per Copy
UK National & Regional Newspapers	6.5p
Specialist & Foreign Newspapers	13.0p
Magazines	6.5p
Premium Magazines	13.0p

## Frequent Digital Fees Variable Option

Digital articles are priced in pence per copy.

The Digital Variable fee is calculated by multiplying the annual volume of digital copies by the price per copy.

Category	Price per Copy
Newspapers & Magazines	15.5p
Premium Magazines & Foreign Newspapers	31.0p

**Please note:** a Minimum fee applies to both the newspaper (£922) and magazine (£125) variable tariff. Newspaper and magazine clippings volumes are separate and cannot be combined.

### Fixed Option Fees - Newspapers

If your organisation subscribes to a media monitoring service and/or wants to share clippings with a select number of staff then the Fixed tariff is available for those organisations wishing to control costs and manage circulation.

To determine your organisation's Fixed fee, select the number of staff permitted to receive content (permitted users) in the top row of the table to the right, and your staff headcount in the left hand column. Please note that this tariff has a volume limit of 500,000 copies.

NLA can cover you for historic unlicensed copying in the form of an indemnity. This legitimises earlier activity and is calculated using the current Price List.

To confirm the indemnity fee payable, please advise NLA of the date on which your organisation's copying commenced (noting that indemnity fees are subject to a maximum duration of six years in accordance with the Limitation Act 1980\*).

If your organisation's copying habits or licence coverage details have changed over the applicable time, please provide further information regarding such variation, as this may increase or decrease the fees quoted.

## Extended Access

### Retain access to content for up to 365 days

## Simplified Licence Price List

# Simplified Licence

The Simplified Licence allows you to make or receive web, digital (e.g. scan, email, PDF) and paper copies from all newspapers, magazines and websites represented by NLA media access. A list covering all of our publications can be found at [www.nlamediaaccess.com/title-search](http://www.nlamediaaccess.com/title-search)

This licence is designed to be flexible and easy to understand. There is no need to specify how many titles you are copying from and you won't be charged per user or per copy. There are four levels to choose from and fees are calculated by means of simple usage bands.

## Three factors determine your fee:

### 1. Licence level

Choose bronze, silver, silver plus or gold.

### 2. Quantity

Choose low, medium, high or very high.

### 3. Staff band

Choose your band from the price table.

## Step 1. Licence level

Bronze	Silver	Silver Plus	Gold
Occasional* copying for all staff	Occasional* copying for all staff	Occasional* copying for all staff	Occasional* copying for all staff

## Step 2. Choose your quantity

The numbers below indicate unique articles and links copied per year (this includes paper, digital and web articles).

Frequency	Min. cuttings	Max. cuttings
Low	0	999
Medium	1,000	9,999
High	10,000	99,999
Very High	100,000	-

## Step 3. Choose your staff band

Now you can find your licence fee by choosing the staff band for your organisation, in the table overleaf.

### Notes:

\*Refer to "Occasional" and "Frequent" definitions in the terms and conditions

\*\* Digital versions of print articles (e.g. scan, email, PDF)

\*\*\* An external recipient is defined in terms and conditions as one that provides a professional service to the licensee

N.B. NLA does not license non-UK users of web media monitoring services, so please exclude any such users from your recipient numbers when selecting licence level.

## Indemnity - protection against previously unlicensed copying

NLA can cover you for historic unlicensed copying in the form of an indemnity. This legitimises earlier activity and is calculated using the current Price List.

To confirm the indemnity fee payable, please advise NLA of the date on which your organisation's copying commenced (noting that indemnity fees are subject to a maximum duration of six years in accordance with the Limitation Act 1980\*).

If your organisation's copying habits or licence coverage details have changed over the applicable time, please provide further information regarding such variation, as this may increase or decrease the fees quoted.
