(b) Free Transmissions

- (i) TG4 shall be entitled to broadcast a maximum of three fifteen second music video clips per programme free of charge provided the music videos are all subsequently broadcast in full in that programme.

(c) Strict Liability

TG4 is strictly liable for payment for the broadcasting of PPI's members' music videos in programmes commissioned by TG4. TG4 shall however use its best endeavours to ensure prior to broadcast that the producers of all such programming have obtained all necessary clearances (including that of PPI). This Agreement does not cover the broadcasting by TG4 of programming acquired by it by way of licence for broadcast and consisting predominantly of music videos selected and arranged into a programme."

(d) Logs

TG4 undertakes to supply television programme logs for all programmes covered by this Agreement incorporating music videos.

(e) Exclusions

The following is expressly excluded from this Agreement:-

Where TG4 sells or supplies a programme substantially based on music videos produced or commissioned by TG4 to a broadcaster or cable company in another jurisdiction, a royalty of 8.5% of the revenue received by TG4 (net of any agency commissions and distribution expenses) for the supply shall be payable. Where programming is not substantially based on music videos, then a pro rata reduction shall be applied. This royalty shall cover the supply of the programme either on tape or via satellite direct from the Republic of Ireland to the broadcaster or cable company. It does not cover the subsequent re-transmission by that broadcaster or cable company.

5. PAYMENT TERMS

Payment of all royalties shall be made quarterly in arrears within 30 days of the end of each calendar quarter. Re: (1) Use by RTÉ of PPI Repertoire and related matters
(2) Transmission of RTÉ Services by Satellite for reception in Ireland
and Northern Ireland
(3) Music Videos

Dear Dick

Further to recent discussions, I now want to set out in writing our confirmation and agreement in respect of several matters as between Phonographic Performance (Ireland) Limited (PPI) and RTÉ.

- (1) It is confirmed that the agreement dated 15th December, 2000 between PPI and RTÉ includes the right of RTÉ to make reproductions of sound recordings in the PPI repertoire (following on from the agreement between PPI and RTÉ dated 3rd July 1998).
- (2) It is confirmed that the agreement dated 15th December, 2000 between PPI and RTÉ includes the right of RTÉ to make available any and all its services to the public through the internet but so that no sound recordings are made available by RTÉ for the purposes of downloading.
- (3) It is agreed that the agreement between RTÉ and PPI dated 15th December, 2000 and the agreement between PPI and RTÉ dated 21st December 2000 in respect of the broadcast of music videos are amended so that RTÉ may make any and all of its services available by Satellite for reception in Ireland and Northern Ireland. In consideration of RTÉ's services being made available by satellite for reception in Northern Ireland RTÉ agrees to pay PPI additionally the sum of €10,000 for each of 2002 and 2003 to be paid quarterly in arrears. The amount to be paid to PPI in respect of 2002 and 2003 shall be reduced pro rata by the number of months or weeks that RTÉ's services are not so available by satellite in Northern Ireland in each such year.

- (4) PPI agrees that RTÉ and its distributors and agents may export television programmes (whether RTÉ produced or commissioned) containing sound recordings controlled by or in the PPI repertoire. In consideration of such exports PPI shall be entitled to receive 5% of the gross revenue received reduced pro-rata by the number of minutes of music in the programme versus its total duration.

Please confirm your agreement to the above by signing the duplicate of this letter.

Yours sincerely
